## THE BAIRD

A truly flexible space, the Baird delivers for board meetings, drinks receptions, small exhibitions and even private dining. The space is bright and airy and equipped with a Television screen.

## THE BROUGHTON

A mixture of old and new, our Broughton suite's high ceilings make the space spectacular for conferences and presentations. Ornate cornicing and period features alongside Swarovski crystals and state of the art technologies make the space a perfect combination of modern and historic.

## THE RAEBURN

Equipped with your own private bar, the Raeburn provides the perfect atmosphere for private dining or celebrations. The space is extremely versatile with space for a DJ and dancefloor as well as an LCD Projector and screen to accommodate meetings.

## THE YORK

Our largest suite is magically brought together by a sliding wall combining our Raeburn and Broughton rooms. Perfect for the largest of events including galas, weddings and networking, the York has the best aspects of both.

## THE TERRACE

With a retractable roof and heaters, the Terrace is the perfect space no matter the time of year or weather. It is an ideal spot for summer BBQs, corporate socials with a difference and drinks receptions.
